Mehserle's office prior
to surgery:

_____ at _____

Pre-operative testing
at the Hospital:

_____ at _____

Phone call / In person

Post-op appointment
in Dr. Mehserle's
office:

_____ at _____

SURGERY DATE:

1. Do not eat or drink anything after midnight the night before surgery.

2. Avoid all aspirin products and arthritis medications 10 days prior to surgery.

- Aleve
- Ibuprofen
- Celebrex
- Meloxicam

If you are taking Coumadin, stop 4 days before surgery.

Note: You may continue taking Acetaminophen/Tylenol for relief of pain.

Your surgeon will need an accurate list of **ALL** the medication you are taking. This list should include: the name of the medication, dosage (strength), and the time of day that you take it. If you prefer, you may bring the medication containers with you at the time of the pre-operative appointment in the office.

Call the Surgery Center at:

483-7928 at 4:00pm

the business day before your surgery to find out what time to arrive the following day.

Please arrange for transportation home following your surgical procedure.

If you have any surgery scheduling related questions, please contact our surgery scheduler, Natalie at (941) 548 - 8858
